Tickets are \$25 per person or \$20 per person in advance (up to 5PM on the day preceding the event). Call 608 929-7692 for advance tickets.

Upon arrival you will receive your ticket and a souvenir wine glass to use on the trail. These 2 items will admit you to each winery and their wine pairings.

This is a driving tour. We suggest that you start your day at the winery furthest from your evening destination. Designated driver tickets are available for \$10 per person. A DD ticket will admit you to the festivities and you will be able to partake of the food portion of the pairings and you will receive a non-alcoholic beverage. Purchase DD tickets at your first stop of the day.
